Mr. Neal H. Ishman  
Vice President  
Space Systems  
E-Systems Garland Division  
Garland, Texas 75047-2621

Dear Mr. Ishman:

On behalf of the Intelligence Training Division, I would like to take this opportunity to thank you and E-Systems for the continuing support of our Contract Process Course. This course is an important milestone in the development of Contracting Officer Technical Representatives (COTR) and Contracting Officer Internees (COI), in that the student is taught basic fundamentals in acquisition to be used in the workplace.

The participation of Mr. Robert Schaefer, as a guest speaker, has made an invaluable contribution to the course's success. His informal style is well suited for the classroom, and he presents himself well as an individual, and as a professional employee of E-Systems. It is a pleasure to have Bob address the class.

We appreciate this contribution and look forward to Mr. Schaefer's participation in future runnings of the course.

Sincerely,

Director  
of  
Training and Education
